We have supplied hardware assets worth over N1 Billion to UBA between 1999 to 2005.

From 2002 to 2005, UBA appointed INTERGLOBAL LIMITED as its Preferred IT Hardware Services Provider. This meant that INTERGLOBAL was entrusted with the maintenance of UBA's existing IT hardware nationwide. This partnership enabled UBA to concentrate on its core business of banking thereby increasing its profitability, at the same time benefiting from INTERGLOBAL's high quality services. The service covered hardware assets worth over N1.8 Billion spread around 230 branches all over the country.

- **Hewlett Packard (HP) Nigeria Limited, Lagos.**  
 In some cases, Hewlett Packard Inc from its Head Office in the US enters into support agreements with various Fortune 500 companies at the Corporate Head Office level to cover support for all of each particular organization's offices all around the world. To be able to effectively deliver on this support service, HP uses its most trusted Business Partners in particular countries where this service needs to be delivered and HP does not have a very strong

support structure on ground. In recognition of INTERGLOBAL LIMITED as the Authorized Business Partner in Nigeria with the most Certified/qualified HP Engineers, HP sub-contracted the Global Hardware and Software Support Services agreement delivery in Nigeria for Microsoft, Motorola and Ericsson to INTERGLOBAL LIMITED from January 2003 through October 2005.

- **Bureau of Public Enterprises (BPE), Abuja.**

While various governments have made attempts at privatizing the different government parastatals that were creating a drain on the nations scarce resources, it was only when the new democratically elected government came into power that it decided to finally get serious and privatize these organizations. BPE, the organization saddled with this enormous responsibility turned to INTERGLOBAL LIMITED to provide it with IT assets required to meet the challenge. We have supplied and installed hardware assets worth over N28 Million to BPE since 2001.
