

INTERGLOBAL LIMITED

COMPANY PROFILE

Company Profile

INTERGLOBAL LIMITED was incorporated in 1992 as a limited liability company that will offer leading-edge Information & Communication Technology products and services. The ethos of INTERGLOBAL is to deliver the optimum service and support which exceeds the expectations of our clients, help our customers enhance productivity, increase business agility, and improve customer loyalty, thereby maximizing our revenue.

Key differentiators that distinguish INTERGLOBAL include:

- A broad portfolio of market-leading products that offer flexibility, investment protection, and superior performance
- Value-added services and support programs that maximize uptime, simplify management, and deliver solid value
- Professional account management with a single point of contact

INTERGLOBAL believes that the best value comes from offering customers a superior total solution. In addition to providing high-performance products that are competitively priced, INTERGLOBAL's superior service and support capabilities, contribute to synergistic solutions that make INTERGLOBAL the clear choice for discerning customers nationwide.

By selecting INTERGLOBAL, Clients gain an experienced and dedicated business partner with the ability to deliver a comprehensive solution. INTERGLOBAL's unique qualifications include corporate stability, technical and business strengths and experience in serving technology markets for over 12 years. With more than 65 service professionals providing service, Interglobal is directly supporting over 8,000 Computer Hardware assets worth over N3 billion from its 3 offices in the country.

INTERGLOBAL is aware that our Client's success in meeting their overall enterprise goals will depend on choosing a partner that can provide competitive pricing strategies, world-class support, reliable quality products and value-added programs. INTERGLOBAL's commitment to product quality, superior service and support, product and image stability, focused account management and product manageability all have a positive impact on achieving our Client's end-to-end lifecycle-management objectives.

A main strength of INTERGLOBAL is its staff of well trained IT Professionals that work with an attitudinal framework that includes:

- Being focused towards one vision
- Working together with cohesion towards that vision
- Keeping procedures and practices simple
- Believing in achievement
- Aspiring to be great and inspirational
- Realising that every individual's effort is essential to Interglobal's vision

We look forward to an opportunity to demonstrate the value-added benefits that INTERGLOBAL offers and to discussing the next steps in forging a strong and mutually beneficial business relationship.

Executive & Management.

A matured and dynamic team with vast experience in business and Information & Communication Technology run **INTERGLOBAL LIMITED**. A highly motivated, extensively trained and capable staff of Computer and Communication Engineers and Technicians complement this team. A brief résumé of some of the executive and senior management staff of **INTERGLOBAL** is given below:

Executive:

- **Mallam Ahmed Dasuki; Chairman**

Mallam Dasuki is an architect and businessman and has been the Chairman of Interglobal Limited from inception. He is also the Executive Chairman of Quaditect Consultants, an architectural practice. Mallam Dasuki is also a director in various blue chip companies including; IBTC Investment Bank; MTN Nigeria Communications Limited; Philips Project Centre; and Tinapa Business Resorts.

- **Nuru Mohammed; Managing Director / Chief Executive Officer.**

The day-to-day running of **INTERGLOBAL LIMITED** is the responsibility of Mr. Mohammed who has had over 20 years experience in the field of ICT. A graduate of Engineering Management from the Catholic University Of America, Washington DC, Mr. Mohammed worked between 1986-1990 as a Systems Analyst with International Merchant Bank (IMB) Lagos. He then moved to Liberty Merchant Bank, Lagos, where he set up the banks Information Systems Unit from inception. Mr. Mohammed left Liberty Merchant Bank in December 1992 and has since then been running Interglobal Limited.

Management:

- **Aliyu Idrisu; Head of Engineering, Senior Systems Engineer.**

Mr. Idrisu, a **Compaq Accredited Systems Engineer (ASE), Microsoft Certified Systems Engineer (MCSE)** and **Accredited Compaq Technician (ACT)**, is a 1991 graduate of Electronics and Communication Engineering from the Abubakar Tafawa Balewa University, Bauchi. Before going for his first degree, he worked with ABG Communications, Kaduna and Signal and Control Systems also in Kaduna. After graduation, Mr. Idrisu joined Saldas Engineering, Kaduna where he installed and maintained Data Communication Networks, PABX and Satellite Broadcast Receiving Systems. He joined INTERGLOBAL in April 1996.

- **Dauda Korede Suraju; Head of Networks and Systems Optimizations**

Mr. Suraju, a **Microsoft Certified Systems Engineer (MCSE), CCNA, ASE** is a 1996 Electrical Engineering graduate of the University of Ilorin, and joined the company in May, 2001. He has had vast experience in Network Operating System installation, configuration and optimization. Mr. Suraju last worked at Ripcon Nigeria Ltd, a networking company based in Lagos. Mr Suraju's schedule includes Server/Network installation, configuration and optimization and Helpdesk activities.

- **David Olutayo Olawuyi; Head of Lagos Office, Senior Systems Engineer.**

A **Compaq Accredited Systems Engineer (ASE), Microsoft Certified Systems Engineer (MCSE)** and **Accredited Compaq Technician (ACT)**, Mr. Olawuyi is a 1995 graduate of Electronic & Electrical

Engineering from Obafemi Awolowo University, Ile-Ife, Mr. Olawuyi joined INTERGLOBAL in May 2000 as a Systems Support Engineer. Before joining us, Mr. Olawuyi worked with several computer companies including Teledom International Limited, Ikeja as a Systems Engineer where he specialized Wired/Wireless Networking and Communication Systems.

- **Isah Aliyu Otaru; Head of Port Harcourt office, Network/Hardware Support Engineer.**

A **Compaq Accredited Systems Engineer (ASE), Microsoft Certified Systems Engineer (MCSE) and Accredited Compaq Technician (ACT)** and a 1995 graduate of the Federal University of Technology, Minna, Mr. Otaru joined Interglobal Limited in October, 1998 as a Network/Hardware Support Engineer. Before joining us, Mr. Otaru worked in various computer organizations where he gained immense experience in Network Installation and Support, and general Server System maintenance/configuration.

- **Ugboko Emmanuel; Head of Maintenance, Senior Systems Engineer.**

An **Accredited Platform Specialist (APS)**, Mr. Ugboko is a 1992 Computer Science graduate from the University of Benin and Microsoft Certified Professional (MCP). He is a Help Desk Specialist with over seven years of professional experience in Local Area Networks and Wide Area Networks. He has also been involved in Systems Support, Administration and Management. He had previously worked with Image Technology, Lagos before moving to Elf Petroleum Nigeria Limited as a contract staff from Data Processing and Maintenance Service (DPMS). He joined Interglobal in 2002 and heads all the company's Help Desk operations.

- **Adetunji A. G. Bukky; Head - Business Development**

An **Accredited Compaq Technician (ACT), Compaq Sales and Marketing Certificate**, Mr. Adetunji is a 1996 graduate of Computer Science from the Abubakar Tafawa Balewa University, Bauchi. He undertook his industrial training with Dunlop Nigeria Plc, Lagos in 1995 and then later in 1997 during the National Youth Service in which he headed the IT Customer Support Services unit. He later worked with Macrofocus Nigeria Limited, Abuja as a Marketing Executive before joining INTERGLOBAL in 2001.

- **Yavala Y. B; Head - Logistics**

A 1987 Chemistry graduate of The University of Oklahoma – USA, Mr Yavalah has worked in various establishments. Until his appointment with INTERGLOBAL in December 2002, he was the Manager IT Stores/Head Office Operation with the United Bank for Africa (1991-2002)

- **Abubakar A. Boroma; Head of Administration.**

A graduate of College of Education, Waka, Borno State. Mr. Boroma joined us in 1993 as an Admin. Officer. He is in charge of all Administration and Staff matters, and also manages the office.

Past and Ongoing Projects.

INTERGLOBAL LIMITED has provided a wide range of customers its unique services to enable them address a wide range of systems solutions. Some of these and the solutions offered to them include:

- **Petroleum Technology Development Fund**

November 2007, Interglobal was awarded contract worth over ₦ 172 Million for the supply, installation and commissioning of IT and Library Facilities at the Bayero University, Kano and Federal University of Technology, Minna and also the supply, installation and commissioning of Server System at Effurun's PTI, Delta State.

- **National Bureau of Statistics - Abuja**

In January 2007, the National Bureau of Statistics (NBS) award Interglobal contracts for the Implementation of Tape Back-up Solution, Storage Networking Solution and Server Management Solution worth over N7.5 Million.

- **Bureau for Public Service Reforms (BPSR) - Abuja**

Interglobal partnering with Systemspecs Limited, Telnet and Impact; The Systemspecs Led Consortium was awarded a World Bank sponsored project for the provision of an Intergrated Personnel & Payroll Information System (IPPIS) for the Federal Government in November 2006 valued at \$4.9 Million. Interglobal is responsible for supply and deployment of Computer Hardware valued at \$1.5 Million.

- **Central Bank of Nigeria - Abuja**

In January 2006, the Central Bank of Nigeria appointed Interglobal Limited as the Maintenance Service provider for computer hardware in its Foreign Operations, Corporate Secretariat and Development Finance Departments. All of these departments are at the new CBN Head Office in Abuja.

- **Southern Gas Constructors Limited – Escravos Gas to Liquid Project.**

The Escravos Gas to Liquid (EGTL) Project is a joint venture of Kellogg Brown & Root Inc (KBR - a Halliburton Subsidiary) and Snamprogetti of Italy. The joint venture has subcontracted the construction of the plant to Southern Gas Constructors Limited (SGC). SGC has ordered 177 units of HP Desktops and some High-end Workstations from Interglobal Limited in January 2006. Delivery was completed by March, 2006.

- **Hewlett Packard (HP) Nigeria Limited, Lagos.**

The new United Bank for Africa that emerged with the merger of UBA and STB, contracted the Maintenance of all the Computer Hardware in its over 400 branches around the country to HP. Recognizing that amongst all of its Authorized Business Partners in Nigeria only INTERGLOBAL LIMITED has the capacity and HP Certified Engineers to undertake such a huge task, HP sub-contracted the entire project to INTEGLOBAL LIMITED. This contract covers hardware assets (Over 7000 Desktops Computers, 300 Notebook

Computers, 400 Mid-Range Intel Servers, 400 different models HP LaserJet Printers, 350 Heavy Duty Dot Matrix Printers, 500 Fax Machines and Scanners) worth over N3 Billion spread around over 400 locations all over Nigeria.

- **NIGERIAN EXPORT-IMPORT BANK LIMITED (NEXIM), Abuja.**
NEXIM recently completed the building of a new corporate Head Office in Abuja, INTERGLOBAL LIMITED was awarded the contract to supply and implement the Networking and Power System for the building worth over N44 Million. September 2005 – February, 2006.
- **United Bank for Africa PLC (UBA), Lagos.**
Recognizing technology as a critical success factor in achieving superior customer service, UBA has invested heavily in Hardware, Software and Communication Systems to gain competitive advantage. Since 1999, INTERGLOBAL LIMITED has been the primary supplier of Computer Hardware, especially Desktop PC's and Servers to UBA. We have supplied hardware assets worth over N1 Billion to UBA between 1999 to 2005.

From 2002 to 2005, UBA appointed INTERGLOBAL LIMITED as its Preferred IT Hardware Services Provider. This meant that INTERGLOBAL was entrusted with the maintenance of UBA's existing IT hardware nationwide. This partnership enabled UBA to concentrate on its core business of banking thereby increasing its profitability, at the same time benefiting from INTERGLOBAL's high quality services. The service covered hardware assets worth over N1.8 Billion spread around 230 branches all over the country.

- **Hewlett Packard (HP) Nigeria Limited, Lagos.**
In some cases, Hewlett Packard Inc from its Head Office in the US enters into support agreements with various Fortune 500 companies at the Corporate Head Office level to cover support for all of each particular organization's offices all around the world. To be able to effectively deliver on this support service, HP uses its most trusted Business Partners in particular countries where this service needs to be delivered and HP does not have a very strong support structure on ground. In recognition of INTERGLOBAL LIMITED as the Authorized Business Partner in Nigeria with the most Certified/qualified HP Engineers, HP sub-contracted the Global Hardware and Software Support Services agreement delivery in Nigeria for Microsoft, Motorola and Ericsson to INTERGLOBAL LIMITED from January 2003 through October 2005.
- **Bureau of Public Enterprises (BPE), Abuja.**
While various governments have made attempts at privatizing the different government parastatals that were creating a drain on the nations scarce resources, it was only when the new democratically elected government came into power that it decided to finally get serious and privatize these organizations. BPE, the organization saddled with this enormous responsibility turned to INTERGLOBAL LIMITED to provide it with IT assets required to meet the challenge. We have supplied and installed hardware assets worth over N28 Million to BPE since 2001.

- **Union Bank PLC, Marina, Lagos.**
 For Union Bank PLC, INTERGLOBAL LIMITED has been providing Comprehensive Systems Maintenance for the banks Computer Hardware and Peripherals under its Abuja and Jos Area Offices. This service covers all of Union Bank's 18 branches in the FCT, Niger, Kogi, Plateau and Taraba States, and involves assets worth over N100 Million. We have also installed Structured Local Area Network Cabling in 5 of Union Banks Branches around the North.
- **Nigeria Export-Import Bank (NEXIM) Ltd, Abuja.**
 Since 1997, INTERGLOBAL LIMITED has provided Comprehensive Systems Maintenance for NEXIM for all of its Servers, Personal Computers and Printers and Local Area Network at its Head Office in Abuja; and its 3 other offices located in Lagos, Kano and Calabar. This service covers hardware assets worth over N40 Million.
- **Society For Family Health**
 Provision of Comprehensive IT Support and Maintenance Services of all its PCs, Printers and Servers in the Abuja Office. September 2003 to date.
- **Guaranty Trust Bank, Abuja**
 Guaranty Trust Bank has a Per-Call Preventive Hardware Maintenance service agreement of all its PC and Printer assets in the Abuja Area with INTERGLOBAL LIMITED.
- **Intercellular Limited**
 We have supplied, configured and installed Compaq ProLiant High Availability, Densely Optimized for Clustering Servers for Intercellular's Billing systems at their Lagos, Abuja, Kano and Kaduna offices. Assets worth over N150 Million were installed.
- **Nigerian National Petroleum Corporation (NNPC), Abuja**
 Nigerian National Petroleum Corporation in January 2004 outsourced the provision of a Preventive Hardware Maintenance Service of all its Computers and Peripherals in the Abuja Zone to INTERGLOBAL LIMITED.
- **Nigeria – Sao Tome & Principe Joint Development Authority, Abuja**
 The Nigeria –Sao Tome & Principe JDA recently moved to its Wuse II office complex in Abuja and contracted its 120 Point Network to Interglobal limited. The Supply and Installation of Local Area Network, Power Protection Network, Central UPS and computers worth over N12 Million
- **Central Bank of Nigeria - Abuja**
 Since November 2003 to date, the Central Bank has contracted to Interglobal Limited the Supply and Installation of IBM Desktop Computers and IBM and Zinox Laptop Computers worth over N82 Million

- **United Bank for Africa PLC (UBA), Lagos.**
In December 2004, UBA contracted to Interglobal the Supply and Installation of HP Blade Servers, HP Server Racks & Accessories and HP EVA Storage Subsystem valued at over N70 Million. Implementation was completed in February 2005.

- **Nigeria Communications Commission (NCC), Abuja.**
Since November 2004 to date, Interglobal has been Supplying, Installing & Implementing high availability clustered servers & Network Infrastructure worth over N45 Million.

- **Bank of Industry (BOI), Lagos.**
Between 2005 to date, Interglobal has supplied and installed high availability clustered servers and accessories worth over N12 Million to BOI.

Summary of On-going Maintenance Support Projects
